

# CHEMISTRY RESEARCH DAY

## A Celebration of Chemical Research

[www.stonybrook.edu/chemistry](http://www.stonybrook.edu/chemistry)

Friday, October 23, 2015

Student Activities Center  
Stony Brook University

### Program:

#### Ballroom A

Poster Session I  
(Even-numbered posters)  
11:00 am - 12:30 pm

#### Ballroom B

Participant Luncheon  
12:30 - 1:30 pm

#### Ballroom A

Poster Session II  
(Odd-numbered posters)  
1:30 - 3:00 pm

#### Why Lobby

Reception  
3:00 - 3:15 pm

#### Auditorium

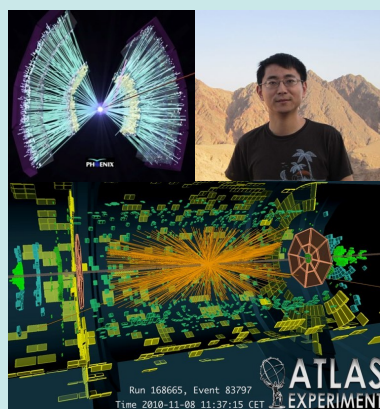

Keynote Lecture  
3:15 - 4:45 pm

#### Chemistry Building Lobby

Celebration!  
5:00 - 7:00 pm

Keynote Lecture

### Jiayang Jia

Associate Professor, Department of Chemistry, Stony Brook University;  
Physicist, Physics Department, Brookhaven National Laboratory

*The Chemistry of the Quark-Gluon Plasma — A  
Primordial Liquid That Existed in the Very Early Universe*
