**Seasons Greetings, Assessment Coordinators!**

As the Fall 2024 semester comes to a close, we wanted to take a minute to wish you a happy and healthy holiday season and look toward all that 2025 will bring!

- Keep an eye out for the Provost's call to nominate a colleague for the 2025 Excellence in Educational Effectiveness (EEE) Award in January!
- Stay tuned for an OEE event to continue our discussion on using AI in assessment to improve PLOs. More details to follow in the Spring.
- An assessment of the Fall 2024 general education courses is currently underway. Courses from the SBS, QPS, ESI, SPK, and HFA+ categories are included in the sample.
- Save the date for our annual Assessment Recognition Event on April 30, 2025 at the SBU Hilton Garden Inn.
- Gentle reminder that 2024-25 assessment reports will be due on September 30, 2025. We welcome your feedback and engagement through one-on-one meetings, consultations, and group discussions to help refine your assessment plan and collect more meaningful data.
