### Questions?

Please contact the Office of Proposal Development  
OPD\_OVPR@stonybrook.edu  
Melville Library S5421  
**(631) 632-1976**

**Stony Brook  
Research**

Please direct questions or requests for disability accommodations to Maureen Piekos at 2-1976

Academic Research Funding Strategies, LLC

## **Grant Development Workshop**

for Stony Brook University

to be held on Stony Brook's campus on Nov. 1, 2019

**Workshop Leaders:** *Lucy Deckard* will present Sessions 1 and 3. She is President of *Academic Research Funding Strategies, LLC*, a consulting firm that works with universities and faculty to help them compete more successfully for research funding. *Academic Research Funding Strategies* Consultant *Dr. Kate Kelly* will present Session 2. She is a retired English professor from Texas A&M University who specializes in reviewing and editing proposals in the Humanities, and also provides editorial consulting on journal articles and manuscripts. (More information about them is available at <https://academicresearchgrants.com/about-us>.)

**Participants:** Participants are *strongly encouraged* to bring a laptop, electronic notebook, or iPad for exercises that require writing and accessing funding agency websites.

**Materials:** Electronic versions of the presentation slides as well as additional materials and resources will be provided to each participant

## Proposal Development Workshop Agenda – Nov. 1st

### 8:30 – noon: Pursuing Funding for Instrumentation (Lucy Deckard)

*Note: We can adjust time spent on specific grant programs based on participants' interests.*

8:30 to 8:45 am

#### **Self-Introductions**

8:45 to 9:15 am

#### **What type of grant fits?**

Expectations for federal research instrumentation grants

Expectations for federal education grants that include instrumentation

Including instrumentation in a research project grant

Other ways to fund instrumentation

9:15 to 9:30 am

#### **Common characteristics of federal research instrumentation grants**

#### **The NSF Major Research Instrumentation Grant (MRI)**

9:30 to 11:00 am

The Basics

Writing an MRI proposal, step by step: what each section in the Project Description should accomplish, and common mistakes to avoid (with examples and exercises)

The review process

11:00 am to 11:30 am

#### **The NIH Shared Instrumentation Grant (SIG)**

The Basics

Writing a SIG proposal: what each section should accomplish and common mistakes to avoid

The review process

11:30 am to 11:45 am

#### **The DoD Defense Research Instrumentation (DURIP)**

The Basics

Positioning yourself to be successful

The review process

11:45 am to 11:55 am

#### **Other Instrumentation Grants**

11:55 am to noon

#### **Conclusion**
