

A Motion in Support of the Revised General Education Requirements

The University Senate accepts the Report of the Committee on General Education dated 29 November 2012, with the following stipulations:

1. There will be a Technology requirement, said requirement to be defined by the Undergraduate Council.
2. The Undergraduate Council will reconsider and recommend grading requirements for the GenEd courses.
3. The Undergraduate Council will consider possible constraints on courses in the “Follow up on Their Interests” area to ensure adequate breadth.
4. We understand that there may be a need to make adjustments in the GenEd requirements for undergraduate programs in Stony Brook Medicine.

Accepted by the Stony Brook University Senate, 3 December 2012.
